Mário César Martins de Camargo

A member of the Rotary Club of Santo André, São Paulo, Brazil, de Camargo is Rotary International’s President for 2025-26. De Camargo plans to boost Rotary’s public image by working from the top down.

“Rotary today has strong competition for members and funds,” he says. “We need to rejuvenate the brand, especially in some Zones. We should utilize post-pandemic meeting tools to allow the President to address Rotarians all over the globe. We also need to develop more long-term partnerships with political, community, and business leaders. Let’s emphasize our greatest asset: 1.4 million volunteers.”

Brian Hall

Brian is a member of the Rotary Club of Covington, LA, USA. He served District 6840 as Governor in the 2014-2015 year. Brian is currently the Chair of the Joint Rotary International/Rotary Foundation Information Technology Committee and will be serving as a member of the Board of Directors of Rotary International in the 2025-2027 Rotary years.

Lisa D Williams

Born in Saigon, Vietnam on Independence Day, Williams contracted polio at age three. As a female with a disability in communist Vietnam, her future would very likely have been limited, with no prospects of an education, career or family of her own. However, Williams was rescued from that fate by the bravery — and love — of an American soldier during the Vietnam War.

Special Notes:
